In a heartwarming story of a lifetime filled with cherished memories, Usha's final wish took her back to the shores of Mooloolaba Esplanade, a place that holds an unbreakable bond with her heart. Having visited countless times before, the esplanade is more than just a destination for Usha; it is a place of laughter, love, and togetherness. With the warmth of the sun on their faces and the soothing sound of waves in the background, Usha sat surrounded by her family, whilst eating fish and chips. The aroma of the fresh seafood spread through the air, intertwining with the shared stories and laughter that filled the atmosphere. This was the perfect farewell, an emotional yet joyful day that encapsulated a lifetime of love and connection. In each moment, Usha savoured the love that bound them all together, etching this final memory in their hearts forever, and giving **Ambulance Wish Queensland the privilege of fulfilling its 100th wish.**

About Ambulance Wish Queensland

OUR INSPIRATION

Inspired by two Hervey Bay paramedics who took a woman cared for by her palliative care team to her favourite beach, Ambulance Wish Queensland is the **first program of its kind in Australia.**

WHY WE EXIST

Our purpose is simple: to give Queenslanders living with a life-limiting condition access to the planning, coordination, specialist transport and clinical care they need to fulfil their last wish and create memories forever.

We are all individuals, but often near the end of life it's the simple things that matter most, like having a farewell dinner at home with family and friends, the chance to watch a grandchild get married or to see one last sunset at your favourite beach.

Ambulance Wish Queensland brings together a team of skilled staff and volunteers using bespoke wish ambulances, for those who would love to experience one last wish with their family and friends.

Ambulance Wish Queensland is the signature program of Palliative Care Queensland, a quality accredited and registered charity.

“ We had worked with the Ambulance Wish team previously and were in a position to be able to assist again, so jumped at the opportunity. Our team really appreciate the opportunity to help make memories for the patients and their families. Our team are proud to support these wishes and seeing the smiles on the patients and families is great. Keep up the great work and please reach out if we can be of assistance in future! ”

“ Your paramedics, photographer and the Ambulance Wish Queensland Team were truly amazing. Everyone, but especially Des had the best time ever. It was so beautiful to see Des so bright and happy with all his mates and family around him. He couldn't stop talking about the whole day. He kept saying, "All this for me, ME!" He is so appreciative and thankful that it is heartbreaking knowing his time is so limited.

Please pass on our huge THANK YOU from Des and all our family, to those involved on the day. ”
