Ambulance Wish Queensland Sponsorship Prospectus

2024

Louise O'Neill

“Death is not the opposite of life, but a part of it.”
Haruki Murakami

We will all at some time meet the last weeks and days of our lives. How well we are able to live through an illness, dying and meeting our death depends upon the value our communities place on supporting the end of our life. Every person should be able to experience comfort, care and connection to the people and places that have made their life meaningful.

Every wish fulfilled by Ambulance Wish Queensland is an individual experience reflecting the spirit, interests, relationships and heart of that person. Each wish varies in complexity and takes into account the care and support required as well as the desires of the wish recipient.

Wishes may be as simple as visiting the family home, or more complex with a greater distance to travel and an experience that has more logistical and financial complexity such as attending a sporting or musical event.

Ambulance Wish Queensland brings together a team of skilled staff and volunteers using bespoke wish ambulances, for those who would love to experience one last wish with their family and friends. Each wish consists of a qualified lead paramedic, a transport assistant, a support assistant and a clinical escort from the patient's palliative care service.

We also provide a professional photographer on the day, who takes photos and videos which are used to create a wish memory book for the family, clinical partners, and volunteers attending on the day.

Our ambition is to have wish ambulances available across Queensland. We are have now grown from two hubs in Brisbane and Townsville, to four hubs introducing Sunshine Coast and Toowoomba in September 2024. This means that our wishes fulfilled, which already grow on average by 60% per annum since 2020, will now see much greater growth with the new hubs and more vehicles.

In each hub we need to grow and nurture our volunteer village to support wishes, and to expand the footprint of our community education, enabling individuals and organisations to care with compassion for those with life-limiting illness in their community.

To support our continued expansion in providing more wishes for more Queenslanders as they face the end of their life each year, philanthropic and corporate donorship and sponsorship is vital.

Ambulance Wish Queensland is a powerful reminder of how simple acts in a person's final days and weeks can bring joy and peace to them as well as connection, smiles and life-long memories to their family and those who love and care about them.

Thank you for considering Ambulance Wish Queensland as a part of your sponsorship or donorship portfolio.

Louise O'Neill
CEO, Palliative Care Queensland

About Us

Palliative Care Queensland is the leading charity and independent peak body representing palliative care providers, recipients and their families across Queensland since 1988.

Mission & What We Do

To influence, foster and promote quality palliative care for all Queenslanders

EDUCATION

Delivery of palliative care **community education and education webinars**, to support communities right across Queensland.

ADVOCATE

Advocate and influence the development of public policy in relation to palliative care.

AMBULANCE WISH QUEENSLAND

Palliative Care Queensland's signature program fulfilling last wishes since 2019.

CONNECTING END OF LIFE CARE

Supporting a **holistic approach to palliative care** through communities of practice, networks, collaboratives and compassionate communities.

Ambulance Wish Queensland

Giving Queenslanders living with a life-limiting illness, access to planning, coordination, specialist transport and clinical care required to fulfill their last wish and create memories forever

Wishes We Fulfil

**Nature, ocean
and beach**

**Family, home, and
personal experience**

**Parties and
birthdays**

Music and movies

Sports

Animals

**Shows and
theme parks**

Our Reach

We are growing! We have welcomed our new Toowoomba and Sunshine Coast hubs in 2024.

26,271 kms travelled across Queensland since 2021.

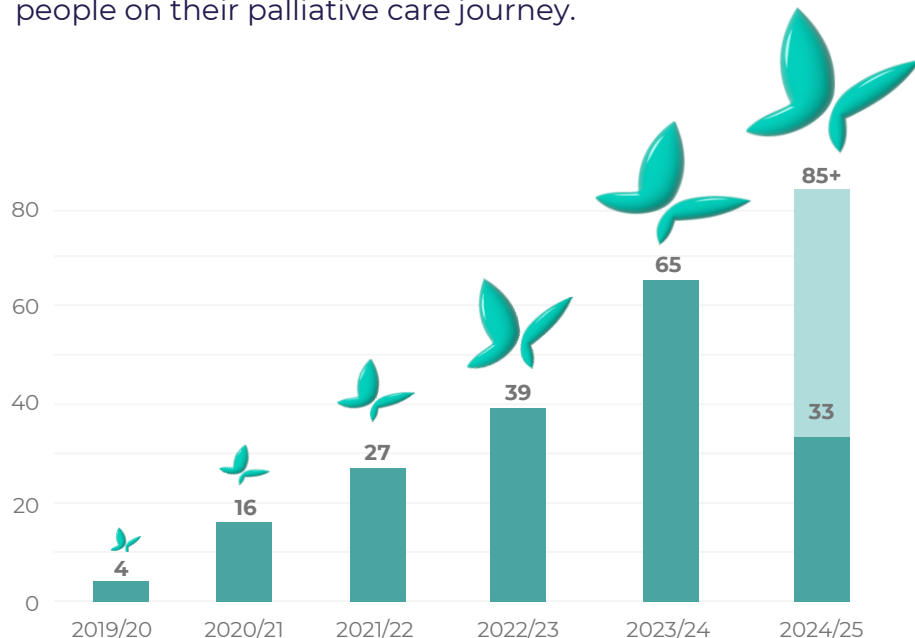

We are now operating **four hubs**, each with a ~200 km reach

Wishes Fulfilled

Our goal is to fulfil many more wishes in 2024. This enables us to continue developing new approaches for wish fulfilment and helps build compassionate communities that support people on their palliative care journey.

Dear Ambulance Wish

My name is Donna, and you supported my darling Mum on the 6th of Jan to attend my wedding. I am yet to find the right words but as I sit here now in Mum's last hours of life, I feel compelled to message you. Justin, my entire family and I are profoundly grateful for making my mum's final wish a reality. Your compassion and support on our special day brought immense comfort.

Your teams compassion care and genuine affection for my darling Mum was obvious and we will truly never be able to thank you enough. I am excited now I have a charity that means so much to my family and has touched my life directly.

- Donna Lockyer (daughter)

Corporate Donors

No matter your industry or company size, you have the power to make a significant impact as a corporate donor. By becoming a corporate donor with us, your organisation can help Queenslanders living with a life-limiting illness build memories, live, die and grieve with dignity and respect.

Join us in creating a compassionate corporate legacy.

Corporate Sponsorship

Becoming a corporate sponsor means partnering with us to make a tangible difference in the lives of Queenslanders. Your sponsorship will help ensure that people facing life-limiting illness can access a last wish in our hubs and that the broader community receives support and education to help others live and die well in their community.
